

# TSRD-17-SXGA

3U rackmount drawer with an integrated keyboard drawer and 3x 17" LCD monitors. These monitors have high contrast ratios (500:1). They fold away to fit into 3U rack space.

Each monitor has an independent OSD control, allowing independent panel control or control of all panels simultaneously. The base includes a 105-key keyboard, 2-button touchpad, and selector buttons. In the back, you will see D-Sub 15 pin input ports for each PC.
